

## More Converts Every Year

Every day in every year that comes, more housewives are giving up their exorbitant priced Baking Powders and turning to K C, the honest and reliable, which has stood so well the test of years. They are finding out that

# KC BAKING POWDER

costs one-third the price of powder anywhere near K C quality, and makes better, purer, more healthful baking.

Thomas Vivion returned to his home with Bert Taubman last Friday. He says he had a very painful time with his eye, and will return to the hospital as soon as he is rested up and have his other eye operated upon. There is a growth showing on the pupil.

The sentiment of Mayview and Washington township is for Senator Stone first last and all the time. There is no one to try and side track him. He will be in the race from start to successful finish. There is a little quiet work being done here on other lines, but it will not pan out.

Mrs. M. A. Belles. Marinda America Belles was born in Lexington, Mo., April 3rd, 1841. She was the second daughter of Geo. and Eliza Houx. One year later her parents located near this town, improved, lived and died on the place known as the Uncle George Houx farm.

She made profession of religion at about the age of fifteen years and became a member of Mt. Hebron Cumberland Presbyterian church, to

which church she ever was loyal and devoted. Her education was obtained in local schools and three years in college.

She was married to Gil E. Belles December 21st, 1882. To this union were born four children, two of whom are dead and two living. A girl baby died in infancy and Fannie Lee, the wife of Robert Wilmot, died Dec. 25th 1891, having two children, Dock and Fannie Wilmot, who have been mothered and reared by the deceased. The two living are Hattie Houx, wife of Wm. Wilmot, and Tarlton McCutcheon Belles. Her husband preceded her to the grave about six years, dying March 4th, 1902.

Mrs. Belles passed away Jan. 22nd 1908, aged 66 years, nine months and nineteen days. Funeral services were held at the Baptist church in Mayview, Saturday, Jan. 25th, conducted by Rev. G. W. Petty, her pastor. The body was put away in Mt. Hebron cemetery.

Mrs. Belles was a woman of good business sense, above an average mentality and of strong character. The predominant characteristic of her life was her fidelity to her conception of what was right. That principle made her a constant and true friend and made her a strong advocate for the existence of the church of her first love.

She took an interest in every question that came up whether educational, social or moral, read much, did her own thinking and was ready with her conclusion when occasion demanded. She was a positive force, willing to act and bear her burden in the activity of life. Such a character meets and discharges the responsibility and duties of life and dies in the faith and hope of a home in the skies.

A few years ago we buried Doc Belles and now we place his wife by his side, and out of our midst has gone an active, living force for good; but let us hope that the children and grand-children have by precept and example so learned the lesson of the value of good character that we shall have a continuation of the righteous influence of these good people.
